

CLASSROOM UPDATE

We have had a wonderful beginning to our school year. In-line skating starts this month. Please see the calendar for dates and times. **Children will need to bring their own helmet and wear socks that day.**

Agendas

Please ensure that you are checking your child's agenda every day and signing to let me know you checked. Important messages and notes will be sent home this way. Please write any messages or updates you have for me on the **right hand side** of the page.

FRENCH LANGUAGE ARTS

We have been working hard on setting up our routine for Français 6 (an adaptation of the Daily 5 program). So far, we are doing Read to Self, Work on Writing, Read to Someone and Word Work. We have been building our reading stamina and have reached 6 minutes!

2LO MONTHLY NEWSLETTER

Math

We have begun this year by looking at patterning. So far we have looked at repeating patterns, building on what was learned in grade one. To finish off the unit we will explore increasing patterns.

In October, we will finish our unit on patterning and begin looking at numbers to 100. We will begin by finding patterns in a 100s chart and then learn about even and odd numbers, skip counting and representing numbers in different ways.

SCIENCE

We are finishing up our first unit learning all about hot and cold. We have learned how to read a thermometer, what it means when our body changes temperature and different sources of heat and cold.

VOLUNTEERING

Our classroom volunteer schedule will begin soon. If you are interested in volunteering in the classroom please ensure you have a criminal record check on file with the office. More information about this to follow shortly.

SOCIAL STUDIES

We have begun our unit looking at a community in the past and how a community changes over time. In conjunction with this we have our first field trip! We will be visiting Heritage Park on Tuesday, October 27th. A permission slip will go home soon. If you are interested in volunteering please let me know ASAP.

CLASSROOM PARTY

We will have 4 classroom parties this year. Stay tuned for more information regarding these days and a treat sign-up.

Monday	Tuesday	Wednesday	Thursday	Friday
			1	2
5	6	7	8	9 PL Day No School
12 Thanksgiving No School	13 PL Day No School	14 Inline Skating 11:15-12:15	15 Inline Skating 1-2pm	16
