

# 1 LOWELL MONTHLY NEWSLETTER

## CLASSROOM Update

I want to thank all parents who volunteered during September and October. Your help is much appreciated!

## Mathathon

This year's Mathathon takes place on Thursday, November 7<sup>th</sup>. Please see the yellow sheet that went home for important information regarding this even.

## GOOGLE PERMISSION

A purple permission slip for Google accounts went home a couple weeks ago. I would like to set up digital portfolios for all children this year. It will allow you to see their growth throughout the year by logging into their Google account. Please sign and return this form to me as soon as possible so that we can get started right away with this. If you have any questions regarding this form, please email me or call me at the school.

## FRENCH LANGUAGE ARTS

We continue to work hard during our Français 6 time. We are now working on all 6 components of this program:

- Read to Self
- Writing
- Word Work
- Conversation
- Listen to Reading
- Read to Someone

## Math

We continue to work with numbers from 0 to 100. We have been comparing two numbers by finding which one is greater. We have also been skip counting by 10s and are beginning to skip count by 5s. Ask your child to skip count by 10 in French for you!

We will soon begin to look at addition of numbers to 20, focusing on our mental math strategies, such as using doubles.

## Science

In October we did a miniature inquiry unit on spiders. We had many questions about spiders and looked at pictures and did research together to answer those questions. In November we will continue to look at seasonal changes, specifically those associated with winter.
