

Thursday, September 7, 2023

Dear Parent/Guardian:

As part of the Grade 3 and 4 Music curriculum, students will be studying the recorder. This instrument is taught throughout the school year to reinforce music reading and to introduce students to instrumental music concepts.

If you are interested in purchasing a quality Yamaha recorder for your child, you can place your order through the school. If you already own a recorder, please have your child bring the instrument to Ms. Baratelli by **Thursday, September 21<sup>st</sup>**, to check to see if it is consistent with the fingering system taught in class. It is also recommended that students have 2 recorders, so they can have one at school and one at home for practise.

**Please fill in the order form below if you need to purchase recorders for your child. Orders are due to Ms. Baratelli by Thursday, September 28<sup>th</sup>. Payment by School Cash Online only.**

Thank you for supporting your child's musical endeavours.

Sincerely,

Ms. Baratelli  
Music Specialist
