

# Unit 2 Whole Numbers

## Overview

Children will develop strategies for adding and subtracting whole numbers. They will use mental math, estimation and pencil and paper calculations.

### Students will be able to:

- Recognize and read numbers from 1 to 10 000.
- Read and write numbers in standard form, expanded form and written form
- Compare and order numbers
- Use diagrams to show relationships
- Estimate sums and differences
- Add and subtract 3 digit numbers and 4 digit numbers mentally
- Pose and solve problems

### Vocabulary for the Unit:

Expanded form, standard form, Venn diagram, Carroll diagram
