

December 15, 2014

Dear Parents,

The New Year will soon be here and we will be starting the year off by continuing to recognize that we are all unique and wonderful individuals. Our next topic, beginning January 7, will be a celebration of My Physical Characteristics. Next month, we will celebrate each student's uniqueness by sharing, My Talents and Interests.

Listed below are some questions from which your child can choose to answer and share with us. Only information your child is comfortable in sharing need be included. **Please do answer the last highlighted phrase:**

How tall am I?

How much do I weigh?

What colour is my hair? My eyes?

Do I have any missing teeth?

What is my shoe size?

Do I have a birthmark?

Who do I look like in my family? Why?

What did I look like when I was a baby?

How have my looks changed since I was a baby?

The best part of me is...because...

It has been very nice to see the students starting to do more of the writing and drawing on their posters. Your assistance with guiding your son or daughter to draw pictures, glue on photos, and/or write basic words is appreciated. Thank you!

Sincerely,

Kim Boraas
