- Reminder we are looking for a treasurer if anyone is interested
- Karin Hunter will not be co-chairing next year as she has other commitments
  please let council know if you know of anyone who may be interested in filling
  this position

- Please fill out the Springbank community association survey

#### 2. Principal's Report

Celia Barrington

- Thank you to the parents who helped with the Kindergarten Open House in January. We currently have in English (23 in area & 25 out of area registrations). In FI, (40 in area & 17 out of area registrations).
- Wellness Day was a great success. The Wellness Committee, worked long and hard to make a very and important day for our students. It would not

- have bee such a success, once again, without the help of the many parent volunteers.
- We look forward to hearing John Dunn and his Arctic explorations tomorrow,
- Family Fun'raiser is underway and of course, the Family Dance is causing some excitement, as always. Last year, we had over 800 people attend.
- The Sprit of Caring has given me a card with a gift card enclosed to present to Ms. Serfas upon her retirement at the end of this month. Thank you to School Council.
- Small concern over snow and sledding at school. Parents are bringing sleds after school hours. The school is concerned about the safety of children, especially those not wearing helmets. There is also a snow pile in between the parking lot and bus loop. Students are sliding down it and we are concerned about children sliding right into the parking lot. Please be aware and ask students to be careful.
- Alberta Ed survey is out; you may be contacted to complete these. Please complete as they help with planning.

#### 3. <u>Treasurer's Report</u>

Melanie Spagrud

- Bought popsicles for pizza lunch
- Purchased gift card for Mrs. Serfas
- Received \$1500 in rebates last month

#### 4. Teachers' Report

Mrs. Svarish

- The character focus for January was patience. We saw patience in action as students and teachers alike s-l-o-w-l-y acclimatized back into the routines and structures of daily life at school after the break. Snow hills on the playground are a good place to practice patience as we try to ensure everyone is safe.
- Thank you to School Council for funding the African dance program we all enjoyed throughout the month of January. Our resident instructor was incredibly professional and talented. She kept the students moving, engaged and did not let them give up.
- Last week's Wellness Day was a huge success. The comments from staff, students and families have been very positive. Thank you to the parents who volunteered to assist with additional supervision, sharing a career or passion while leading a session or donating supplies and ingredients for smoothies. Many earned their barista badges that morning. Making and serving 600+ smoothies in 30min is no small feat. The call for warm bedding and clothing has been met with amazing generosity as well. There was a mountain of donations in the front hallway by the end of the week.

#### Curriculum Connections:

Mrs. Svarich and her Green Club members are here to share some of the work they do to help reduce our environmental footprint and educate our students on the importance of recycling and it's impact on our environment.

#### Volunteer Coordinators

Sally Lockhart

Niki Ferby

- Add to volunteer list for next year the kindergarten orientation meeting. We will need approximately 8 volunteers.
- Mental Health day required 390 positions filled and 98% of that was filled and was very appreciated. Next time we will have a better idea of what is needed in terms of supplies for making smoothies. The volunteers worked extremely hard and efficiently to have all the smoothies out to kids in half an hour. Thank you!
- Teacher appreciation week is coming up at the beginning of April. A group will be needed to decide what we would like to do for the teachers this year.
- Family Dance is next week however, teachers generally do most of the volunteering.
- On the school website under the link, Parent Council, there is a link to volunteer opportunities.

# 6. Special Lunch Coordinator

Alex Martin Michelle Hornung

 Michelle Hornung will be stepping down next year but there has been a replacement found, Tanis Bo will chair the committee and Alex Martin will support her in that role. Thank you to Michelle for all of her hard work.

#### 7. Library Coordinator

Monica Webster

 Not much to report from the library thank you to all the volunteers for making my job so easy. You are generous with your time and the kids benefit from that. Thank you again.

#### 8. Yearbook Committee

Brenda Renowden

- Please purchase your yearbook.
- There will be a table set-up at the family dance for parents to purchase their yearbook.
- Class reps will be asked to send out a reminder in May
- Still working on how best to retrieve the pictures the students are taking off their hard drives. Possible idea of having parents volunteer to upload photos.

#### 9. French Immersion/CPF

Lori Champagne

 Representatives from CPF attended the kindergarten immersion information evening in December and an open house in January to answer questions and address concerns about immersion. We look forward to meeting the incoming kindergarten class and their parents.

#### 10. Long-Term Planning Committee

Frankie-Lou Nelligan
