4. Teachers' Report Trish Cull

- Presentation by Ava (4B)- Socktober! New socks for children and adults who are homeless (Inn From The Cold)
Bin can be found by the front door and by Mrs. Z's office.
- Student Led Conferences – we are excited to try our new format of conferences. Moving from parent teacher interview to conferences allows students the opportunity to share everyday learning activities with parents and set goals as a team including student – parent - teacher. A brochure was sent home with more information.
- Professional Learning – several staff have chosen to be part of a Community of Practice looking at establishing a Maker Space within our school. It is exciting to see how the space is being used. Several classes are using the space on a regular basis for curricular extensions and cross class weekly challenges.
- Student Sharing: Ava from Mrs. Belsey's grade 4 class came to school council to share about Socktober. Students at Elbow Valley are civically engaged as we collect new, unworn socks of all sizes for "In From the Cold." The socks will be donated to families in need in our community. Ava explained why she feels Socktober is important.

5. Volunteer Committee Amal Jomaa/Arlene Abboud

- The Staff Luncheon signup went out October 2nd and we are still in need of 2 Supervisors and a few food items. The luncheon will take place October 17th. We will be resending the invite again in hopes of getting the vacancies filled.
- Picture retakes takes place on Nov 8th and Mathathon on Nov. 15th. Both signups will be coming out at the end of this month. Mathathon being a bigger undertaking will need a considerable amount of volunteers. Nobody has volunteered to take the role of manager for this event. Please spread the word that we are still looking for somebody to take on this very important role.

6. Special Lunch Coordinator Tannis Bo

- Things have gone well with our first few Friday lunches. Thanks to the volunteers who helped with Pizza. There are still lots of openings for the year, so if you are interested in volunteering, the link to the Signup Genius can be found in the Volunteer section of the Parent Council portion of the website.
- We have added 8 more Subway lunches (one per month) for the rest of the school year on a trial basis. Most will be on Tuesday's with a couple on Wednesday because of other school activities going on. I have asked for these to be added to the school calendar and they are already available on the Healthy Hunger website. The first day will be November 1st and orders must be placed at least 5 days before the lunch (in this case October 26th). A note will be added to the Parent Council section of the newsletter to let parents know about these new dates.

7. Learning Commons Coordinator Monica Webster

- Thanks to the amazing volunteers the library is continuing along in not too bad a state while the administration team looks for a replacement for Miss Bailey. If anyone would like to help out the link is on the school website, or email me directly for it.
- There won't be a book fair during the parent teacher interviews this month
- Book fair will be end of November/beginning of December

8. Yearbook Committee Lee Ann Tai

- 2017/2018 yearbooks are now available to order through schoolcashionline.com. The cost is \$25 and they will be available in September of 2018.
- The yearbook committee is looking for volunteers to help with photography and page design. No special skills are needed! The yearbook is a great keepsake, but we need volunteers in order to keep it going.
- We are currently looking for volunteers to photograph the upcoming ***Halloween*** celebrations on Tuesday, Oct. ***Parents are now able to upload images for consideration in the yearbook directly to the Lifetouch website. If you've taken photos of a school event (field trip, in-line skating, in class activities, etc.) and you think they'd be a great addition to the yearbook, go to community.lifetouch.com. Please use the following Community Image Upload Access Code to upload your photos: SOVGQW. Alternatively, you can email photos to the yearbook committee at elbowvalleyyearbook@gmail.com.

9. French Immersion/CPF Lori Champagne

- We are seeking approval from Parent Council for the CPF Annual Cheese Fundraiser. We will be selling both the blocks of cheese and the gift boxes, as we did last year. We will have information and order forms in the November newsletter, order deadline will be November 10 and delivery will be the week of November 27 - Dec 1. That way people have cheese for the holiday season and Christmas gifts.
- To simplify sorting and distribution of the cheese we will have access to space at Springbank Middle for the delivery and distribution of the cheese. This will make things much easier than last year.
- *Lori Champagne makes a motion to approve this fundraiser, seconded by Katie Mayer*

10. Vice Chair

Tannis Bo

- A link to a summary of workshops open to all parents has been added to the Parent Council portion of the website. These workshops are open to parents to register on their own. Thanks to Kim Agnew for providing this information. A small poster will also be placed on the Parent Council bulletin board. Kim has also reached out to Geri Lorway who puts on Math workshops to see if she would be available to put on something for us at the school. Depending on cost and if the content is appropriate, this might be something we may want to partner with the middle school. I will keep Parent Council updated as I get more information. ***see poster***
- Geri is a mathematics guru! Charges for accommodations (\$150), comes from Grand Prairie; suggested workshop date for EEVE is Wednesday, January 24 @ 6:30pm (2 hours), website is www.thinking101.com; she is keen to come help us!
- Also, if there is interest, I will reach out to the URStrong facilitators to see if they can do a workshop again here – possibly in November if it works. I will also ensure if we do a workshop that it can be a ‘closed’ group and see if parents with multiple kids can

11. FEEVES

Monica Webster
